The Applicant agreed to provide publication information for multiple references cited in the Information Disclosure Statements dated 11-26-2003, 08-28-2003, and 09-12-2007. The Examiner agreed to add the publication information for such references for which the publication information has been provided, and to strike through references in these Information Disclosure Statements with incomplete information to indicate these references have not been considered.

Applicant believes that the references in these Information Disclosure Statements with incomplete information are not material to the patentability of the claims pending at the time of the interview (or the allowed claims), and that such references do not anticipate or render obvious any of the pending claims.
